

Your Wild Life

Today I found... A Butterfly

This nature activity is brought to you by Levi H. He learned that butterflies can have many colors!

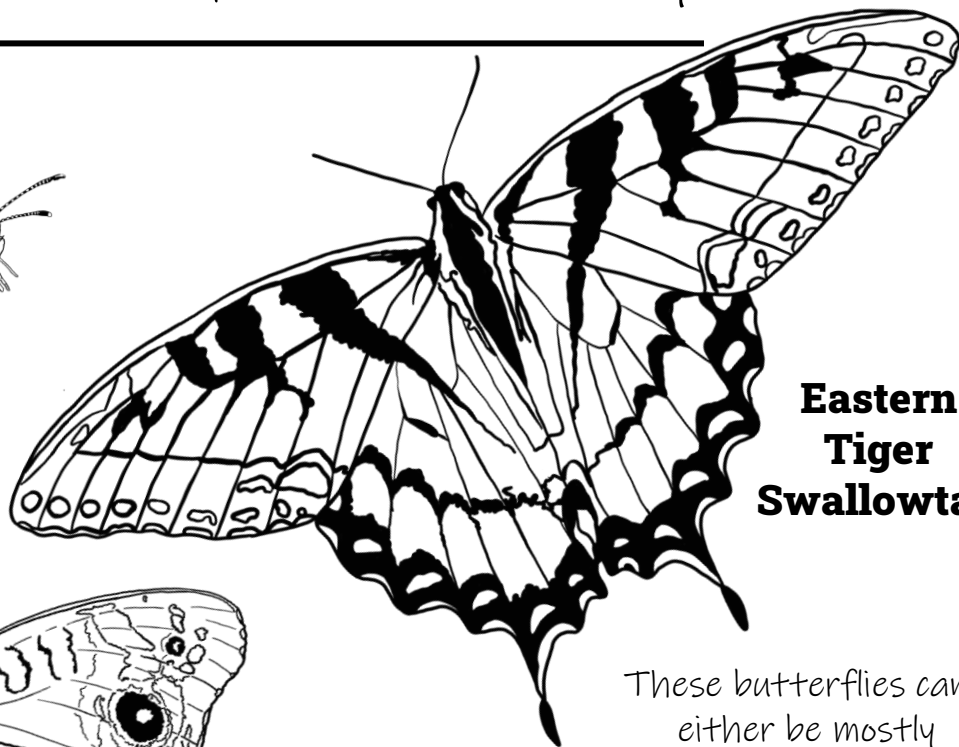

Eastern Tailed-Blue

Color this butterfly white, blue, black and orange!

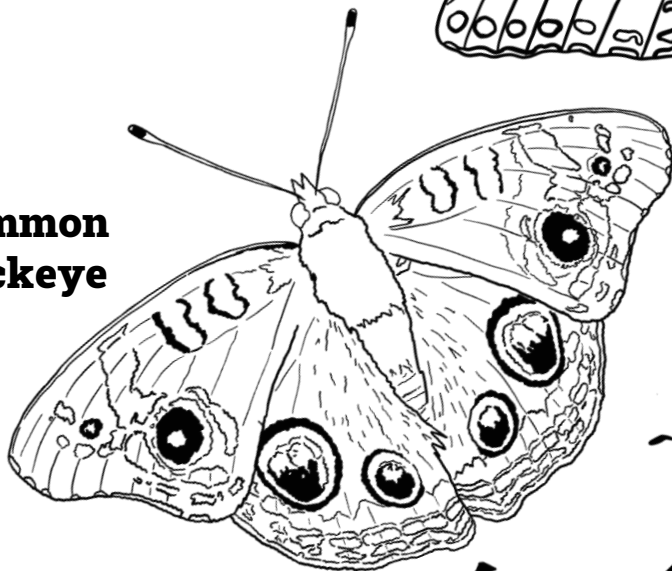

Eastern Tiger Swallowtail

These butterflies can either be mostly yellow or black with blue and orange!

Common Buckeye

Many bright colors on this butterfly- brown, tan, black, orange, white, pink and purple!

Monarch Butterfly

Monarchs are orange and black, with some white.
